EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Chris Svendsen on 10/23/2006.

The application has been amended as follows:

8. (Currently Amended) An electronic system for generating and assigning a photograph by a remotely located user with a remotely located photographer, the system comprising:

a control program associated with a server, the control program capable of communicating with a user and additionally capable of communicating with a remotely located photographer, the control program capable of receiving a request for a photographic assignment from the user;

a database associated with the control program, the database including a store of information relating to a photographer, the database searchable for a photographer having a criteria set that corresponds to the photographic assignment from the user;
and

an electronic interface [having the ability] to transmit a communication between the user and the photographer as manipulated by the control program, the
